Parishioner Feedback:

Jack is a longtime member of Corpus Christi and wanted to provide feedback to the council. Can we get the 5:00 PM Mass back? Currently Fr. Pavaglio presides at 3 of the 4 weekend Masses having the fourth covered by another priest when possible. The availability of retired priests is limited as this is still a very busy time for them. We are still in the one year experiment until July with the current Mass times. We are scheduled to review this at the end of one year in July. The Parish Council is looking for ways to keep the 5:00 PM Mass attendees engaged and feeling welcome here at Corpus Christi. There is a strong sense of loss in the community surrounding our displaced Saturday attendees who are seeking Mass outside of Corpus

Lay Ministry Update:

There are 12 parishes in our Deanery. The communication is to go from the board to the Parish Council to disseminate to the parish. Alicia Coury, from Saint Rose of Lima, has been elected as the representative from our Deanery to meet with Archbishop Hebda on a quarterly basis. The Archdiocese is planning on holding a Synod. Look for an announcement on Pentecost.

Recruitment for Parish Council Members:

A discussion was held on the merits of a discernment process versus an election process. It was agreed that if any changes were to happen a great deal of communication as to why and how the changes would be implemented would need to occur. The council currently has 8 members with staggered years of service. See the bylaws for details. Plan to have nomination cards in the pew by April 28. Alisa volunteered to contact nominees to discuss their interest in joining Parish Council.

Name	Elected Term (years)	Appointed Term (years)	End of Term
Mo	3	X	June 2019
Kirk	3	X	June 2020
Tony	3	X	June 2019
Jim	1	X	June 2019
Sandy	3	X	June 2021
Alisa	3	X	June 2021
JoAnn	X	1	June 2019
Candace	X	1	June 2019

Shared Bulletin:

Discussion held on the merits of a shared bulletin. As clustered parishes we could better cross market each other's events. Free up staff time. On the other hand, some parishioners may misinterpret the idea to mean we are merging the two parishes. The majority of Council Members determined that a joint bulletin could cause more concern than benefits at this time.

Hand in Hand Update:

HIH asked for an extension of their lease (until December 31, 2019) to allow them to complete construction at their new location and Parish Council was notified that the request has been denied. The last date of their lease will remain 8/31/2019.

Parishioner Feedback

- Multiple parishioners have indicated that the amount of photos being taken has become an issue. Feedback is that the taking of the photos can be disruptive and uncomfortable. Staff will address this concern.
- Intercessions have been really good! Kudos to Sue.

Closing Prayer: Alisa Weber

End Time: 8:11 PM
