

**Parish Council Minutes**  
**Church of Corpus Christi**  
**Tuesday, June 18th, 2019, 7:02PM, CC Gathering Area**

**In Attendance:** Mo Boxrud (Chair), Sandy Banaszak (vice-Chair), Tony Valois (*acting Secretary*), Jim Colten, Alisa Weber, JoAnn Winter, Luke Bursa, Denice Malone, Eric Iverson, Toni Leach (staff liaison).

**Absent:** Fr. Marc Paveglio, Candace Logeais (Secretary), Kirk Enzenauer, Kathy DiGiorno.

**Visitors:** none.

**Opening Prayer** (Mo).

**Self-introduction of all PC members** Done so that everyone will be ready to work together next year with the three new members present: Luke Bursa, Denice Malone, and Eric Iverson. It was suggested that the lack of the PC membership election, with the corresponding lack of an introduction of the candidates to the parish as candidates, could be rectified by introducing them to the parish by doing a blog-post on the web site with their bios.

**Review of by-laws and structure of Parish Council** (Sandy) went through a printout of the parish council's constitution summarizing the main points for the new members and points that are likely to need attention next year with the scheduled revision. This included a very brief review of the Strategic Action Plan. Specific issues mentioned for attention next year included:

- Member selection process.
- Committees/Action teams.

**Selection of PC officers** Chair: Sandy Banaszak, Vice Chair: Eric Iverson, Secretary: not selected at this time, Kirk has been nominated, but possibly a rotating assignment. Toni will continue as the Staff Liaison.

**Selection of committee liaisons for next year:** (Mo) members stepped forward to perform these duties, frequently because they already are members of the committee in question. During this process Toni clarified the "Three Bullet Point" summary to be created by the committee:

- BAT: Denice.
- Finance: Jim.
- Social Justice: Alisa.
- Young Adults: Luke.
- Faith Formation: Eric.
- Liturgy: Kathy was suggested for this.
- CAT: not assigned, return to this next fall.

**Parishioner feedback:** (All) Denice mentioned a number of instances of positive feedback about the worship experience. Mo brought up the continuing hurt for some members of the Saturday evening community that worshiped at the lost Saturday evening Mass. Luke brought up the loss of the prayer over the people's offering of their financial gifts.

**Root Beer Floats:** a scheduled socializing time for the new and old members to get acquainted.

**Next Meeting:** Fall 2019

Respectfully submitted, Tony Valois.
