What is Confirmation?

Confirmation is one of the seven sacraments with which we celebrate important moments in our lives as Catholic Christians. It is one of the three sacraments that we know as the sacraments of initiation. Through these three sacraments, Baptism, Confirmation, and Eucharist, we celebrate a person's entrance into the community.

As we experience these sacraments in our current Catholic practice, Baptism is generally celebrated in infancy and marks the birth of a child in the community. Eucharist is often celebrated during early childhood, around seven years of age, and marks a young person's growth in understanding of what it means to be a part of the community. It is a celebration of the child's emerging role as a more active member of the community.

Of the three, Confirmation is generally celebrated last, most frequently in the mid to late teens. **As an initiatory sacrament, Confirmation marks a beginning. It is not merely a graduation, or an end to formal education in the faith, but involves a decision on the part of the young person to join with us fully in the work of salvation.** The individual is recognized as one freely accepting engagement in a process of ongoing conversion within a supportive community of faith that is also experiencing that process.

The confirmation process here at Corpus Christi does not aim to repeat doctrinal or catechetical material that was presented in our parish elementary and middle school religious education programs. It assumes that each student will have participated in our Sunday School and Middle School Faith Formation classes, a Catholic school, or an equivalent program.

Inspired by the RCIA (Rite of Christian Initiation of Adults), the process is grounded in the life of the entire faith community. Involvement of prayer partners and sponsors assure that each candidate will have ongoing mentors within the faith community.

The process is liturgical, spiritual, and social in nature. It addresses the student's spiritual needs in an attempt to aid the student in growing closer to God. The program also attempts to aid and prepare the student for a decision regarding readiness for the reception of the sacrament. At several points during the process students will be asked if they wish to continue preparation for Confirmation. During their time of discernment, the students will be supported by the community through its prayer and liturgy.

This handbook is intended to be used as guide for you and your parents as you prepare for the reception of the sacrament of Confirmation. It outlines the process and the expectations involved in each element. It also provides whatever forms you will need. Please read it over carefully and keep it handy for further reference.

STUDENT REQUIREMENTS

To successfully complete this preparation process, each student is expected to:

- Participate in Mass regularly and in all the scheduled confirmation sessions, liturgies and retreats.
- Choose and complete one long-term and two short-term social justice projects.

PARENT OR GUARDIAN'S ROLE AND RESPONSIBILITIES

Parents are indeed the primary educators of their children. The role of the church is to assist them in this role. As stated earlier, one of the most important ways parents can help prepare their son or daughter for confirmation is to continually "encourage, support, and affirm" your child. Perhaps the best way parents can do this is through their presence. The Confirmation process here at Corpus Christi has been designed to help parents do this.

- Parents are expected to attend the orientation session and all major liturgical rites during the process.
- Parents are expected to assist the youth with service projects, including the Can Opener Food Drive and serving food with Loaves and Fishes at the Dorothy Day Center. Each parent will bring their own child to Loaves and Fishes and assist their child in dropping off fliers and collecting food for the Can Opener Food Drive. Parents will provide transportation for their child to and from the fall and spring retreats or arrange this with another parent.
- Parents are expected to be supportive of the volunteer catechists in any way possible, including praying for the teachers and communicating with them as needed.
- Parents are expected to support the sponsors, prayer partners, and candidates throughout the process through prayer and affirmation.
- Parents are expected to review the general information about Catholic Teachings with their child. Materials will be provided to help you with this. It is assumed that all youth have a basic understanding of their faith from participating either in the Sunday School Program and Middle School Faith Formation Program or a Catholic School.
- Parents are expected to bring your child on time to show respect for the program and to pick up your son/daughter on time to show respect for your child.

SOCIAL JUSTICE PROJECTS

At Corpus Christi, we believe that an important part of life after Confirmation is participation in the ministry of the parish. Consequently, one of the aims of the Confirmation preparation process is to involve the candidate in a wide variety of service activities to help discover where his/her talents can best be used to build God's kingdom.

The Confirmation Social Justice Project requirement is as follows:

1. Participation as a class in the Can Opener Food Drive on October 5. During the week before the food drive, students (with help from parents) will drop off fliers in their designated areas. On Saturday morning, they will retrace their steps and pick up the food for the food shelf.
2. Serving Food at Loaves and Fishes (also known as Dorothy Day). Students will sign up with their parent to serve food at least once at the Dorothy Day Center. Our parish serves the evening meal the second Tuesday of each month from 4:30 to 5:45pm. You should plan to arrive no later than 4:00pm. Please see the map at the end of the handbook for directions.
3. Long term project of your choice. Each student is expected to choose one ongoing project which involves a minimum of ten hours of service. Suggestions could include participating in Give and Grin, working as a Sunday School Aide, working in the Nursery, visiting at a nursing home, singing in the choir, etc. Projects should be chosen based on one's individual talents and interests. This is in addition to the food drive and serving at Loaves and Fishes, though serving additional times at Loaves and Fishes is a good option for this.
4. Select a minimum of two short-term projects. These could include serving the parish by working at the Pancake Breakfast or Advent Brunch, dyeing Easter Eggs, volunteering for a procession, helping stuff bulletins, providing childcare for a special event, etc. Opportunities will be offered throughout the year for this. You may also choose "one time" volunteer opportunities in your community such as shoveling sidewalks, raking leaves, helping with community events, etc.

Reporting your social justice projects.

Upon completion of your social justice projects, complete the forms found in the back of the folder. Return them to your catechist or to Liz Russell as you complete them. All forms must be turned in no later than April 1, 2020.

SPECIAL LITURGIES

The Confirmation process involves several special liturgies which provide spiritual growth through prayer and worship.

Rite of Entrance

This liturgy marks the official entrance into the confirmation process and will take place at the 10:30am liturgy on Sunday, October 6. Students should plan to arrive no later than 10:15am, dressed nicely. Students will process in at the beginning of Mass. Sponsors should also attend, if possible. If sponsor cannot attend, a parent is asked to process in and sit with the student.

Other Special Liturgies/Events

You will note on the calendar that numerous other special liturgies are planned. Some of these are parish liturgies while others are special events planned for the youth. Students should come directly to church with their parents for these liturgies. Each of these liturgies provides an opportunity to experience our rich Catholic traditions. They are not to be considered a "night off".

CONFIRMATION LITURGY

The parish celebrations will be held on April 19. Youth can choose to participate in the 10:30am or 6pm Mass. During the liturgy, the youth will share their testimonies with the parish. Sponsors should attend, if possible. Parish receptions are held after each liturgy to allow parishioners to meet the candidates and congratulate them.

The sacrament of confirmation will be celebrated on **Tuesday, April 28 at 7 pm at the Cathedral of Saint Paul**. Plan to arrive no later than 6:30pm. Allow plenty of time for traffic and parking. Youth will sit with their sponsors in a reserved section in front. There is plenty of unreserved seating for parents and additional guests.

PRAYER PARTNERS

The support of the parish community of Corpus Christi is extremely important to the confirmation process. Parishioners will be able to show their support by signing up to be a prayer partner for an individual candidate. Parishioners will be asked to pray for the candidate each week during the confirmation process.

On Wednesday, November 13, at 7pm there will be a special prayer service and reception for candidates, prayer partners, and sponsors. This special evening will allow candidates to spend time with these important mentors.

CHOOSING A SPONSOR

Each candidate is asked to choose a confirmation sponsor using the following criteria:

1. Sponsors should not be a way to honor relatives or flatter friends. These individuals will have a real function of spiritual direction to perform.
2. Sponsors should be chosen because:
 - a. They are faith-filled practicing adult Roman Catholics (ideally, but not necessarily, your baptismal sponsor).
 - b. The candidates feel that they have something to offer in terms of spiritual guidance.
 - c. They are people who the candidates feel they can trust and confide in about their personal/spiritual life.
 - d. They are people whom the candidates admire and wish to emulate in terms of their spiritual maturity and wisdom.
 - e. They are people capable and willing to make a time commitment to this process.
3. Sponsors are asked to make the following commitments:
 - a. Attend Prayer Night with the candidate on Wed, Nov 13.
 - b. Attend the Rite of Entrance (Sun, Oct 6) and Parish Celebration (April 19)
 - c. Agree to meet with the candidate for six thirty-minute meetings. (Outlines will be provided for these sessions)
 - d. Agree to be prayer support to the candidate and, of course to sponsor him or her at the celebration of Confirmation itself on Tuesday, April 28.
4. Each candidate should carefully consider whom he or she wishes to select and discuss it with a parent. Please share the above information with the sponsor when you ask them to make sure they feel comfortable with the expectations. Then, return the form in the back of the folder by Wed, Sept 25.

RETREATS

Retreats are an integral part of the Confirmation preparation experience and are often mentioned as the most valuable experience by those who have completed the process. Retreats provide a block of time away from worries and pressure of the everyday world to allow for quality personal reflection.

Two retreats are required parts of the process. We will begin with a fall retreat on Saturday, October 12 to Sunday, October 13 at Camp Salie in Stacy, MN. Parents are asked to bring students to Camp Salie by 10:30am on Oct 12 and to pick them up at 2:30pm on Sunday, October 13.

The spring retreat is scheduled for the weekend of March 27-29 at Camp St. Croix in Hudson, Wisconsin. You will be sent additional information regarding this retreat later in the year.

There is a charge for the retreats, but partial and full scholarships are available.

INTERVIEWS

Personal interviews are conducted with the candidates at the beginning and end of the Confirmation preparation process. The beginning interviews are used to help the catechists and youth minister get to know the youth and to

help the youth assess their talents for social justice projects. Fall interviews will be conducted during the retreat.

Spring interviews are conducted during the spring retreat and are used to help evaluate the process and to help the candidates assess their readiness for Confirmation.

BAPTISMAL CERTIFICATE

Each student needs to turn in a copy of her or his baptismal certificate, unless she or he was baptized at Corpus Christi, in which case we have a record of the baptism in our files. Please turn in a copy of your baptismal certificate no later than September 25. You may simply call the church where you were baptized and ask them to mail a copy to our parish at 2131 Fairview Ave. North, Roseville, MN 55113 or fax it to 651-639-8288. If you were baptized at Corpus Christi please let Liz Russell know what year you were baptized.

CONFIRMATION NAME

Students are encouraged to choose a saint's name as their confirmation name. The following pages provided by the Archdiocese list numerous possibilities. We encourage you to learn more about your saint before making a final decision. Please notify Liz Russell of your choice by April 1.

1. What does it mean to be a follower of Christ?
2. Why do I freely choose to remain within the Catholic Church?
3. What does my parish represent or stand for within the local community?
4. What has been an important spiritual experience in my life?
5. In what person or situation do I especially see the Holy Spirit working in the world?
6. Why do I personally need the strengthening of the sacrament of Confirmation in my life?
7. What do I see as a major challenge facing young Catholics today and how am I facing this challenge.
